Father and Son Cat Stevens

It's not time to make a change just relax and take it easy
You're still young that's your fault there is so much you have to know
Find a girl settle down if you want you can marry
Look at me I am old but I'm happy

I was once like you are now and I know it isn't easy
To be calm when you've found something going on
Take your time, think a lot think of all the things you've got
For you will still be here tomorrow but your dreams may not

How can I try to explain when I do he turns away again
And it's always been the same the same old story
From the moment I could talk I was ordered to listen
Now I know there is a way and I have to go away

It's not time to make a change just sit down and take it slowly
You're still young, that's your fault there's so much you have to go
through
Find a girl settle down if you want you can marry
Look at me I am old but I'm happy

All the times that I've cried keeping all the things I knew inside
It's hard but it's harder to ignore it
If they were right, I'd agree but it's them they know not me now
There's a way and I know that I have to go away
I know I have to go
