G C D G C D
Katie's sitting on the old front porch, watching the chickens peck the ground
There ain't a whole lot going on tonight, in this one-horse town
Over yonder coming up the road, in a beat up chevy truck
Her boyfriend Tommy, he's laying on the horn, splashing through the mud and the muck

Her daddy said he ain't worth a lick, when it comes to brains he got the short end of the stick But Katie's young and man she just don't care, She'd follow Tommy anywhere She's in love with the boy, She's in love with the boy She's in love with the boy And even if they have to run away, she's gonna marry that boy someday

Katie and Tommy at the drive-in movie, park in the very last row They're too busy holding on to one another, to give a hoot about the show Later on outside the Taste-Freeze, Tommy slipped something on her hand He said my high school ring will have to do, 'til I can buy a wedding band

Her daddy's waiting up 'til half-past twelve, when they come sneaking up the walk He says, "Young lady get on up to your room, while me and junior have a talk" But momma breaks and says, "Don't lose your temper, it wasn't very long ago When you yourself was just a hayseed plowboy, who didn't have a row to how

My daddy said you wasn't worth a lick, when it came to brains you had the short end of the stick But he was wrong and honey you are too, Katie looks at Tommy the way I still look at you" She's in love with the boy, She's in love with the boy She's in love with the boy And what's meant to be will always find a way, she's gonna marry that boy someday

And what's meant to be will always find a way, she's gonna marry that boy someday She's in love with the boy (repeat an fade)
