

YOU DON'T KNOCK

Chorus

You don't knock, you just walk on in, the door ~~is~~ into heaven's
E B7 inn.
There's love and joy for you, to share the whole day through
E A7
I know, my friends are there, to rest in the heaven's nest.
E A7
You don't knock, ring, push a hole, the doors wide open awaitin'
E B7 E for your soul
You don't knock, you just a walk on in. *E**E*E*E

Verse

I've walked life's winding road, 'cause I'll ~~try~~ tryin' to bear
E B7 this load.
I've traveled both night and day, so tired I could hardly pray
E A7
Oh, Jesus my light, my guide, Oh He's ever by my side.
E B7 E
So I'm a walkin', not a knockin', into heaven with pride.

I'll have no need to fear, Well he is ever near
He'll know my ~~work~~-~~was~~-~~true~~ work was true,
So glad the day is through.
Oh, it wasn't for me to say. I didn't think I'd make my way.
So, I'm a walkin', not a knockin' into heaven with pride.
